Dual Enrollment courses are actual college classes,

College credit AND high school credit earned by passing the course.

Zero cost to students in the Salinas Union HS District. Books covered!

Students pre-register with their counselor then have to register through the College Readiness Program at Hartnell.

AP Courses are high school classes with college level workload

High school credit earned by passing course while college credit earned by passing the AP test with a 3 -5

As of 2020, Salinas Union HS District was covering the cost of AP tests. Otherwise \$93 per test as of May 2017

Pre-register with your high school counselor.
